About Dance Marathon

What is Dance Marathon? Dance Marathon is a continuous, multi-hour event on college campuses. It blends dancing, music, games, food and a variety of entertainment into one experience where students raise money for kids treated at their local Children's Miracle Network hospital.

Mission Statement: To raise funds and awareness for Children's Miracle Network at Shands Children hospital at the University of Florida in the Lowndes County and South Georgia area through a campus-wide Dance Marathon.

Vision: To promote and successfully execute the CMN Dance Marathon in a way that generates excitement and volunteerism within the Valdosta community so that it can become an annual event.
